

How do You Manage?

Part 2

Discussion Questions

Read Matthew 6:19-24

Why would anyone want to store up treasure in Heaven?

How many verses in the Bible talk about wealth and possessions? Why would the Lord give us so much instruction on money?

Other than giving, what do you think the Bible says about money?

Last week we talked about God's ownership of everything. If you get paid \$750 this week, how much of it belongs to God?

If we are not managing money as the Lord would like, how can this affect our relationships with others?

What are three practical ideas everyone can use on managing money?

1. What does it mean to "live within your means?"
2. Read Proverbs 22:7. What is the best plan you know of to deal with debt?
3. What does your "wish list" look like? How do you differentiate between things you need, things you want but don't need, and things you only dream about?

How do you see God partnering with you to manage His money and be blessed?
